

POSTER MAKING COMPETITION:

When words fail to communicate the language of the mind, soul, and heart, art steps in to assist. Keeping this in mind, Laxmi Institute of Management organised a poster making competition on the occasion of Azadi ka Amrit Mahotsav on Friday, August 12, 2022 to commemorate India's glorious 75 years of independence. The competition was organized for MBA and BVOC students. A total of 12 teams participated in the event.

The competition's goal was to address the students' patriotism by bringing out their creative intentions and to spark the fire of imagination in them. The competition's theme was 'Indian Glory'. Students were invited to create paintings and drawings to express their ideas. The young students demonstrated their artistic abilities through an array of posters. The students used drawings, slogans, and statements to communicate their feelings and opinions about the great leaders. The students' passion for their presentation could be seen and felt.
